

REMARKS

The Applicants "Request to Correct Filing Receipt" faxed on October 1, 2004 was initially held up because the first paragraph of the instant specification required amendment to claim the benefit of the prior application according to the paper mailed on October 18, 2004. The Applicants respectfully traverse the initial delay.

However, in order to advance prosecution in the instant application, the Applicants have amended the first paragraph of the specification. The Applicants believe that the requirements for amending the Application's claim of priority have been met. The Applicants respectfully request that the Filing Receipt be corrected to reflect the priority claim of the instant application.

Please find attached herewith, a copy of the original Request to Correct Filing Receipt faxed on October 1, 2004 along with the fax Certificate of Transmission, and a copy to the Response to Request for Corrected Filing Receipt mailed on October 18, 2004.

CONCLUSION

Based on at least the foregoing, the Applicants believe that all requirements for correcting the Filing Receipt have been met. Should the Examiner have any questions regarding this submission, the Applicant respectfully requests that the Examiner telephone the undersigned at 312-775-8000.
